Dear Sirs

RE: ADAM STRAIN, DECEASED

I refer to your letter of 21st May.

I confirm the Inquest has been listed for hearing on Tuesday 18th June at 10.00 am at Crumlin Road Courthouse.

There are no photographs of Adam but photographs of sections of the brain will be available at the Inquest.

So far as the provision of other documents is concerned I have already provided Ms Strain with a copy of the reports of Dr Alexander, Dr Sumner, Professor Berry and the post-mortem report of Dr Armour. So far as other documentation is concerned I am not prepared to release this in advance of the Inquest. However a copy of each witnesses deposition will be made available at the time they commence to give evidence.

For your information I am enclosing a copy of the list of witnesses.

Yours faithfully

J L LECKEY
