Dear Professor Berry

**Re: ADAM STRAIN, Deceased.**

I am writing to advise you that I have now held the inquest.

I thought you would be interested in seeing the reports I had received concerning why Adam died and what he died of. The reports are those of the pathologist, Dr Armour, Dr Alexander (Consultant Anaesthetist) and Dr Edward Sumner (Consultant Paediatric Anaesthetist Great Ormond Street Hospital For Children).

With Kind Regards  
Yours sincerely
