Dear Mr Leckey

re: **Adam Strain, deceased**

I am very grateful indeed to you for taking the trouble to send me the conclusion to your inquiry into the above case. I find your conclusion entirely reasonable in this tragic situation, and rather as I thought the answer seems to be in matters well outside my expertise! Nevertheless, I was very pleased to be involved in this difficult case.

With best wishes.

Yours sincerely

P J Berry
Professor of Paediatric Pathology
