Coroner for the District of Greater Belfast

CORONERS ACT (Northern Ireland), 1959

Deposition of Witness taken on \_\_\_\_\_ the \_\_\_\_\_ day  
of \_\_\_\_\_ 20 \_\_\_\_\_, at inquest touching the death of \_\_\_\_\_  
before me

Coroner for the District of \_\_\_\_\_

as follows to wit:—

The Deposition of DR BRIAN HERON

of \_\_\_\_\_

who being sworn upon h \_\_\_\_\_

oath, saith \_\_\_\_\_

(Address)

Mr McAuliffe: ~~to~~ Petechial haemorrhages  
were found only on the chest wall. I did  
not notice them anywhere else. The gastric  
-intestinal tract may or may not have been  
inflamed. The stomach would have  
autolyzed. Histology showed no autolysis  
of the oesophagus.
