Dear Miss Moore

RACHEL FERGUSON, DECEASED

Rachel died in the Paediatric Intensive Care Unit of the Royal Belfast Hospital for Sick Children on 10th June 2001. Previously she had been a patient in Altnagelvin Hospital and was transferred from there once complications emerged.

I should be grateful if you would arrange to let me have statements from those involved with the care of Rachel after her transfer to Belfast.

For your information I am enclosing a copy of the post-mortem report of Dr Brian Herron and a supplemental report from Dr Clodagh Loughrey.

I am obtaining an independent report from Dr Edward Sumner of Great Ormond Street Hospital for Children in London and I will let you have a copy when it is available.

Yours sincerely

J L LECKEY
HM CORONER FOR GREATER BELFAST
