Dear Diane

**Meeting with Dr O'Hara/Mr and Mrs Crawford - 16 June 2000**

I would like to record my appreciation for your kindness and co-operation in relation to Dr O'Hara's meeting with Mr and Mrs Crawford last Friday.

I came away from the difficult meeting with a good impression of the Pathology Service and in particular the care and effort you made to ensure we were comfortable. I know the cup of coffee were very welcome!

Thank you

Yours sincerely
