Dear Dr Sumner

Lucy Crawford Deceased

I refer to your letter received on 10 March 2003 and apologise for the delay in this reply due to the St Patrick's Day holiday in Northern Ireland.

I am delighted to learn you have taken an interest in the events leading up to the death of Lucy Crawford. You have gained substantial credibility as an expert witness through media reports of the Inquest on Raychel Ferguson.

In view of the approach by Mr Leckey I feel it is best for you to initially make contact with –

Dr Jim Kelly, Medical Director

Yours sincerely
