Subject: Dr. John Leckie

Following a conversation with Graham at your office this morning, I wish to formally request an off-the-record briefing with Dr. John Leckie.

Our interest in speaking to him arises out of the recent inquest he conducted into the death of 17-month-old Lucy Crawford.

We are considering how to further examine some of the issues that Dr. Leckie identified in his findings and would deeply appreciate the opportunity to discuss those with him.

We do this in the full understanding that it would be a strictly off-the-record discussion.

I look forward to hearing from you.
