Patricia,

Further to our recent conversations regarding the Coroner and the case of Lucy Crawford, I would again appeal for an off-the-record briefing with Mr. Leckey.

This comes after the story that appeared in the "Impartial Reporter" newspaper yesterday (Thursday) that, once again, appears to undermine his findings in the case. This comes after the Chief Medical Officer herself has voiced alternative views to his on his findings of the case of Lucy's death.

If a briefing is not on offer, we would wish to put a number of questions to the Coroner. Will he be prepared to answer them?

Give me a call on [REDACTED]

Trevor.
