Dear Patricia,

Following our recent conversations, I want to formally request a copy of all documents held by the Belfast Coroner in relation to the inquest held into the death of Lucy Crawford.

The inquest was held in February this year.

As you and the Coroner are aware, we have been closely liaising with the Crawford family in relation to this case and the family is aware that we intend producing a half-hour documentary on the death of their daughter next month.

If you need any further details concerning our request, do not hesitate in contacting [REDACTED] at the number below.
