Kevin,

Further to our conversation last week, I wish to formally request an in-studio interview with Henrietta Campbell.

As I explained, "The Issue" is a new Thursday night current affairs programme, which will begin a 10-week run on March 18th.

In the first edition, we are going to examine the deaths of Lucy Crawford and Raychel Ferguson. We intend to particularly focus on the issue of accountability in the health service.

We have approach several other potential interviewees. These include Dr. Ted Sumner and representatives of both families.

Dearghal McKinney will host the programme. It is anticipated that we would record Dr. Campbell's interview during the late afternoon of March 18th.

If you need any further information, do not hesitate to give me a call on 07771 732508.

In the meantime, thanks for your help.

Trevor.
