trevor,

colm shannon rang looking for rob. he wanted to make a complaint over the way he felt ms campbell had been treated. he said fearghal had been rude and the department would have to consider co-operating with utv in future. his complaint was along the line that fearghal had interviewed ms campbell like ian paisley or david trimble....and that she was a doctor who gave only a limited number of interviews! he said that the interview was not what had been sold on wednesday and ms campbell had been in tears travelling from the studio. he said he would be in touch with rob next week. he .did not question substance of interview.
