Subject: RE: Altnagelvin statement

Marie,

Thank-you for your statement.

I have a further couple of questions for Geoff Nesbitt.

(1): In the statement, you say:

"Dr. Geoff Nesbitt, then Clinical Director for Anaesthetics in the Trust personally telephoned colleagues in several hospitals in Northern Ireland to alert them to the circumstances of Raychel's death."

Question: Whom exactly did Mr. Nesbitt telephone? I asked Mr. Nesbitt this question when I met him in spring, 2003, and he wasn't able to remember. Can he now recall?

(2) In the statement, you say:

"On 18 June 2001, the Trust's then Medical Director, Dr Raymond Fulton, met with Dr. Ian Carson, Deputy CMO and Medical Directors from other Northern Ireland Trusts. Dr. Fulton described the circumstances of Raychel's death and it was agreed that there was a need for regional guidelines."

Question: Who were the other Medical Directors who attended this meeting?

Thanks Marie, I look forward to hearing from you.
Trevor.
