Janet,

Coming back from holidays, I was wondering if I missed any developments in the Lucy Crawford case.

That last time we spoke, the membership of the "Root Cause Analysis" group set up to examine the case had not been finalised.

Is the group membership now complete? If so, can you give us the details?

Has the group met? If so, when and where? When is it due to meet next?

Has its remit been agreed?

Has the Crawford family given its backing?

I look forward to hearing from you.

Trevor.
