Trevor

I refer to your email of 8 November and our email of 10 November. The Trust is still awaiting advice regarding implications of the Trust responding to media enquiries in light of the independent inquiry established by the Minister. We will advise you further in due course.

I refer to your email of 17 November and would advise that a number of Trust staff attended a conference at the Killyhevlin Hotel on 16 November and this was not in connection with the independent inquiry.

I refer to your email of 23 November and as requested attach statistics relating to the children's ward for the twelve month period, 1 November 2003 to 31 October 2004, and for the previous 12 months, 1 November 2002 to 31 October 2003.

Best wishes.

Janet
