Christine,

Another question as part of our ongoing examination of events at the Erne Hospital four years ago:

This time it is for Dr. Moira Stewart, Consultant Paediatrician.

Q: What was Dr. Moira Stewart's remit for the investigation herself and a colleague conducted at the Erne Hospital in Enniskillen following a formal complaint from a paediatrician in the hospital about a consultant? The inquiry began in late 2000 and a report completed two years later. Also, what conclusions did the report reach about the conduct of the consultant?

I look forward to hearing from you.

Cheers.
Trevor.
