Re: Lucy Crawford, deceased

Dear Sir,

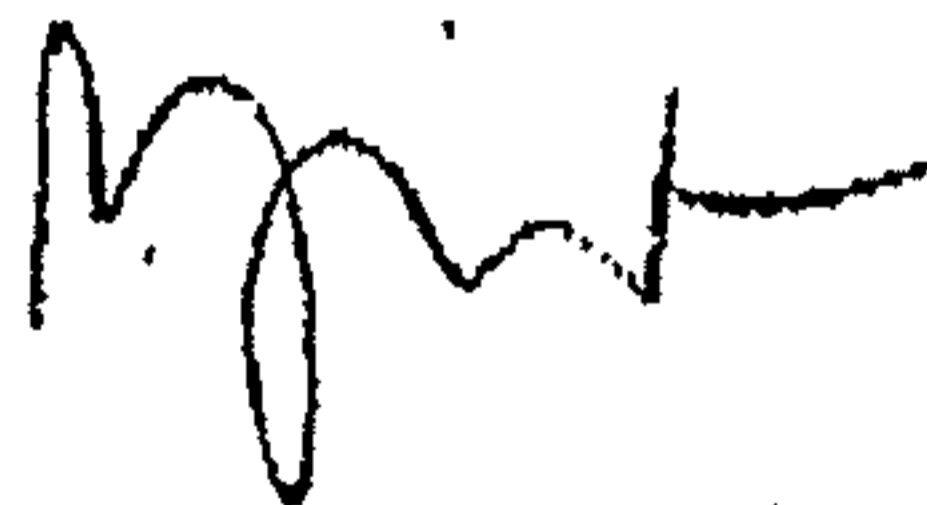

We act, as you know, on behalf of the Crawford family.

Our clients have become increasingly concerned about the media coverage surrounding their daughter's tragic death.

We have been instructed to write to you to request that you do not make use of any photographs, correspondence or other material provided to you by the Crawford family in any future programming without their prior written consent.

Please acknowledge receipt of this letter and confirm that you will abide by the wishes of the family.

Yours faithfully,
