

STATEMENT RE CONOR MITCHELL DECEASED

DATE OF BIRTH: 12.10.1987

DATE OF DEATH: 12.05.2003

STATEMENT OF DR DAVID McENEANEY MD FRCP

I DR DAVID McENEANEY will say as follows:-

I am a Consultant Cardiologist in Craigavon Area Hospital and have been in post for four years. I was the Consultant Physician for adult medicine on call on the evening of 08.05.2003 from 6 pm to the following morning. I was called to see Conor Mitchell by the Registrar, Dr Murdock after his condition deteriorated. Dr Smith and the Paediatric Team were already with Conor when I arrived. I saw Conor at 11 pm in the CT scan room. I noted the findings of the CT scan and discussed his case with Dr Smith (Paediatrician) and Dr McCaughey (Consultant Anaesthetist, ICU). I went with Dr Smith and spoke to the family about Conor's diagnosis and prognosis. I documented this in patient's chart.
