Gary

As discussed, the further interviews re Adam Strain have been set up as follows:

Tuesday 28th March 2006
10.45am - Dr Gaston
12pm - Dr Murnaghan

I have asked both to attend about a half hour earlier in order to consult with you first. Have also confirmed with Billy Cross. Billy has said that the interviews shouldnt take longer than 45 minutes each.

Billy has also asked for interviews to be arranged with a few other people and I will let you know when I have set them up.

Regards
