Re: Lucy Crawford (deceased)

X 4228 Christini Stewart - Corporate Commissioner

Christini has had a media call
media wanting to speak with Dr Cream "this side of Easter"
about this case. (? going to be doing a lot of re-reading)

Said that whilst the family had (I thought) lodged this against
the home, I think that now has since been settled. ^{Correct} Agreed that I
would seek advice from SPW + BOC Co + get back to Christini
thereafter.
