Dear Peter

***LUCY CRAWFORD (DECEASED)***Thank you for your letter of 18<sup>th</sup> instant.

Given the fact that this is a second recent occurrence or investigation by the Coroner, we will need a deft hand in dealing with the issues. In the first instance, I think it might be useful to speak to Dr Creen particularly, given the Report prepared by Mr Sumner.

I look forward to hearing from you.

Yours sincerely

George D H Brangam
