| 012  | Dr. Alison Armour        | Senior Registrar Forensic Medicine, State Pathologist's Department, Belfast (now Consultant Pathologist, Royal Preston Hospital)    | Carried out post-mortem examination of Adam and reported cause of death. Subsequently wrote journal article on Adam's death  | Ref: 011-010-030 | Ref: 093-022-062                     | WS-012-1<br>WS-012-2                         | To be called at later hearing |            |                            |
| 119  | Dr. Sanapala Bhanumurthy | Locum Consultant Anaesthetist   | Present on 28 <sup>th</sup> November 1995 in PICU  |                  |                                      | WS-119-1                                     |                               | ✓          | ✓                          |
| 229  | Dr Chitra Bharucha       | Consultant Haematologist, Belfast City Hospital (now retired)   | Wife of Hoshang Bharucha   |                  |                                      | WS-229-1                                     |                               | ✓          | ✓                          |
| 249  | Dr Hoshang Bharucha      | Consultant Pathologist, Royal Victoria Hospital (now retired)   | Dr Armour showed slides to Dr Bharucha on 7 <sup>th</sup> December 1995 after the autopsy.   |                  |                                      | WS-249-1                                     | To be called at later hearing |            |                            |
| 116  | Dr. Meenakshi Bhat       | Senior House Officer (SHO) in Paediatrics, RBHSC (now Consultant in Clinical Genetics, Centre for Human Genetics, Bangalore, India) | Saw Adam in PICU on 27 <sup>th</sup> November 1995 at approx 13.00. Administered Nifedipine and Mannitol and reduced ventilation rate.   |                  |                                      | WS-116-1                                     |                               | ✓          | ✓                          |
| 007  | Mr. Stephen Brown        | Consultant Paediatric Surgeon, RBHSC (now retired)  | Assisted Patrick Keane with the transplant surgery on Adam on 27 <sup>th</sup> November 1995 and closed the wound. Involved in 9 previous surgical procedures on Adam from 1991-1993, including an insertion of a Broviac line into Adam's left common facial vein on 29 <sup>th</sup> May 1992. |                  |                                      | WS-007-1<br>WS-007-2<br>WS-007-3<br>WS-007-4 | ✓                             |            |                            |
| 117  | Dr. Rosalie              | Locum Consultant Anaesthetist, RBHSC  | Assisted Dr David Webb with the first set of brain stem tests on Adam on 27 <sup>th</sup>  |                  |                                      | WS-117-1                                     | ✓                             |            |                            |

| Witness Ref No | Name                    | Position (then/now)  | Role   | Deposition       | PSNI             | Inquiry WS                                   | Proposed Witness              |            | Reliance on Statement Only |
|----------------|-------------------------|--|--|------------------|------------------|--|-------------------------------|------------|----------------------------|
|                |                         |  |  |                  |                  |  | Called                        | Not called |                            |
|                | Campbell                | (now at Addenbrooke's Hospital Cambridge)  | November 1995. Dr David Hill thinks she may have assisted Dr Robert Taylor at some point during Adam's operation.  |                  |                  | WS-117-2                                     |                               |            |                            |
| 003            | Dr. Jacqueline Cartmill | Senior House Officer in Paediatrics, RBHSC (now Consultant Obstetrician & Gynaecologist, Altnagelvin Hospital)                   | Did initial assessment on admission and prescribed overnight fluids on 26 <sup>th</sup> November 1995  |                  | Ref: 093-008-025 | WS-003-1<br>WS-003-2<br>WS-003-3             | ✓                             |            |                            |
|                | Mr. John Casey          | Southern General Hospital in Glasgow   | Removed both of donor's kidneys on 26 <sup>th</sup> November 1995  |                  |                  |  |                               |            |                            |
|                | Professor Jack Crane    | State Pathologist, QUB   | In charge of the State Pathologist's Office in November 1995   |                  |                  |  | To be called at later hearing |            |                            |
| 094            | Dr. Fiona Gibson        | Consultant Anaesthetist, Royal   | Reviewed processes and equipment used in RBHSC operating theatres in December 1995 at the request of Drs Murnaghan and Gaston  |                  | Ref: 093-026-069 | Ill  |                               |            |                            |
| 181            | Dr. David Hill          | Trainee Anaesthetist, RBHSC  | Was operating in the theatre next door to the theatre in which Adam was being operated on.   |                  |                  | WS-181-1                                     | ✓                             |            |                            |
| 006            | Mr. Patrick Keane       | Consultant Urologist, Belfast City Hospital  | Carried out the kidney transplant surgery on Adam on 27 <sup>th</sup> November 1995 – save for the closure of the wound  | Ref: 011-013-093 | Ref: 093-010-029 | WS-006-1<br>WS-006-2<br>WS-006-3             | ✓                             |            |                            |
| 097            | Dr. Jayne Larkin        | Paediatric SHO in PICU, RBHSC (now Consultant Paediatrician, Ulster Hospital)  | Looked after Adam in PICU from 5pm on 27 <sup>th</sup> November 1995   |                  | Ref: 093-032-084 | WS-097-1                                     |                               | ✓          | ✓                          |
|                | Dr. Seamus McKaigue     | Consultant Paediatric Anaesthetist, RBHSC  | Consulted with Dr Taylor and Dr Crean to draw up draft statement of recommendations in June 1996   |                  |                  |  |                               |            |                            |
| 111            | Dr. Charles McKinsty    | Consultant Neuroradiologist, Royal   | Interpreted CT scan performed on 27 <sup>th</sup> November 1995  |                  |                  | WS-111-1<br>WS-111-2<br>WS-111-3             | To be called at later hearing |            |                            |
| 114            | Dr. Jean McKnight       | Locum Paediatric Registrar, RBHSC (now Consultant Paediatrician, Dumfries & Galloway Royal Infirmary)                            | Resident on-call in PICU on evening of 27 <sup>th</sup> November 1995 to 28 <sup>th</sup> November 1995  |                  |                  | WS-114-1                                     |                               | ✓          | ✓                          |
| 223            | Dr. Meenakshi Mirakhur  | Consultant Neuropathologist, Royal (now retired)   | Received Adam's brain, spinal cord and histological slides from Dr. Alison Armour and reported to her. Dr. Mirakhur is referred to in the Dr. Armour's Report of Autopsy                 |                  |                  | WS-223-1                                     | To be called at later hearing |            |                            |
| 230            | Dr. David Mitchell      | Paediatric Medical Registrar, RBHSC (now Consultant Paediatric Gastroenterologist)   | Confirmed he did not initial biochemistry and haematology reports of Adam's in the early hours of 27 <sup>th</sup> November 1995   |                  |                  | WS-230-1                                     |                               | ✓          | ✓                          |
| 009            | Dr. Terence Montague    | Senior Registrar in Anaesthetics, RBHSC (now Consultant in Anaesthesia & Intensive Care, Our Lady's Children's Hospital, Dublin) | Assisted Dr. Robert Taylor with Adam's transplant surgery on 27 <sup>th</sup> November 1995 – up until about 09:00   |                  | Ref: 093-037-117 | WS-009-1<br>WS-009-2                         | ✓                             |            |                            |
| 014            | Dr. Mary O'Connor       | Consultant Paediatric Nephrologist, RBHSC  | Saw Adam on 10 <sup>th</sup> February 1993 and 20 <sup>th</sup> April 1993. On 27 <sup>th</sup> November 1995, took over from Dr. Maurice Savage at about 09:30 until he arrived in PICU |                  | Ref: 093-020-056 | WS-014-1<br>WS-014-2<br>WS-014-3<br>WS-014-4 | ✓                             |            |                            |

| Witness Ref No | Name                               | Position (then/now)  | Role  | Deposition       | PSNI             | Inquiry WS   | Proposed Witness                                |            | Reliance on Statement Only |  |
|----------------|------------------------------------|--|---|------------------|------------------|--|---|------------|----------------------------|--|
|                |                                    |  |   |                  |                  |  | Called  | Not called |                            |  |
|                | Dr M D O'Hara                      | Consultant Paediatric Pathologist, Royal Hospitals                                     | Dr Armour showed slides to Dr O'Hara on 7 <sup>th</sup> December 1995 after the autopsy.  | Deceased         |                  |  |   |            |                            |  |
| 004            | Dr. Donagh O'Neill                 | Senior House Officer, RBHSC (now Consultant Psychiatrist, Sligo Mental Health Service) | Examined Adam and took history on 26 <sup>th</sup> November 1995. Ordered a chest x-ray and prescribed antibiotics and paracetamol  |                  |                  | WS-004-1<br>WS-004-2<br>WS-004-3   | ✓   |            |                            |  |
| 002            | Dr. Maurice Savage (now Professor) | Consultant Paediatric Nephrologist, RBHSC (now retired)                                | Adam's nephrologist since he was transferred from the Ulster Hospital at a few months old. He took the consent from Adam's mother and was in the operating theatre until about 09:30 when he left for University duties - handing over to Dr. Mary O'Connor | Ref: 011-015-109 | Ref: 093-006-014 | WS-002-1<br>WS-002-2<br>WS-002-3<br>WS-002-4<br>WS-002-5                         | ✓   |            |                            |  |
| 231            | Dr Abdusamea Shabani               | Radiologist  | Assisted Dr McKinstry in interpreting the CT scan performed on 27 <sup>th</sup> November 1995   |                  |                  | WS-231-1   |   | ✓          | ✓                          |  |
| 008            | Dr. Robert Taylor                  | Consultant Paediatric Anaesthetist, RBHSC  | Anaesthetist for Adam's transplant procedure on 27 <sup>th</sup> November 1995. Also anaesthetised Adam for surgical procedures on 3 previous occasions   | Ref: 011-014-096 | Ref: 093-038-119 | WS-008-1<br>WS-008-2<br>WS-008-3<br>WS-008-4<br>WS-008-5<br>WS-008-6<br>WS-008-7 | ✓   |            |                            |  |
