HEALTH AND SOCIAL SERVICES BOARD

**OFFICE OF
THE CHIEF EXECUTIVE
MEMORANDUM**

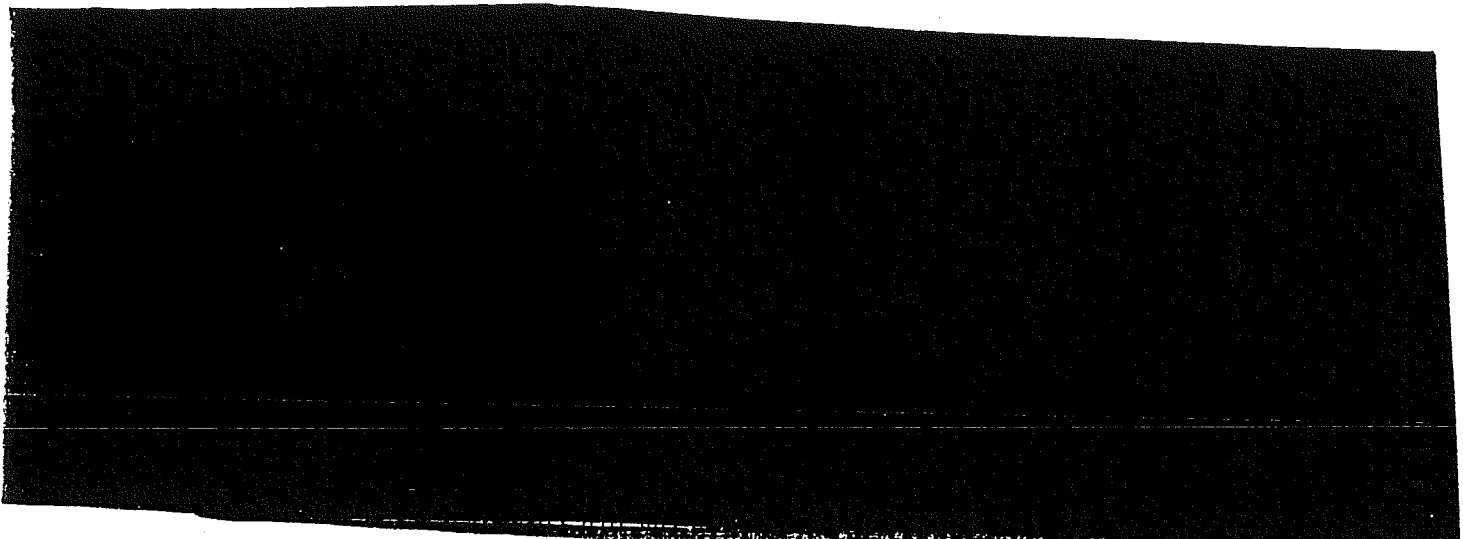

5. Issues for local Trusts

5.1 Sperrin Lakeland

a. LC Case

// You will be aware of the publicity and issues surrounding the internal review. Margaret Kelly will represent the Board on this and will keep you posted on developments during June.

d. *Insight TV Programme*

There are rumors circulating that UTV will run a further programme during June in relation to Sperrin Lakeland Trust, primarily concentrating on the handling of the LC Case but possibly dealing with other issues. Again, this could be very damaging for the Trust and we need to be sensitive to the issues raised. Michael will stay close to the Trust and let us know.
