CONFIDENTIAL - DISCUSSION WITH HUGH MILLS

CONFIDENTIAL

Bill, I had a brief telephone conversation with Hugh Mills this morning during which he raised a couple of issues that I wanted to make you aware of if this is not already the case.

1. [REDACTED]

[REDACTED]

2. *Coroner's Inquest*

The Trust has been advised that the Coroner will hold an inquest into the death of a child from Fermanagh which occurred several years back in a Belfast hospital. The child was originally admitted to the Erne and then transferred to Belfast. The circumstances are similar to those of the recent paediatric case (F) at Altnagelvin. Hugh will forward more details to us in due course.

Regards.

Steven
