Hugh, I am out of the office for the next few days so I thought I would drop you a note regarding Admin Services discussion on Coronors Inquest last week. Members were happy with the information provided. The only query was regarding the remit for the CMO Review. I know you are meeting with Eta on Friday. Once you have agreed a remit for the Review, could you share this with us. Many thanks.

Steven

13. Erne Hospital

Clarification to be sought on the remit the Chief Medical Officer is considering as a result of the coroner's findings in relation to the recent tragic case concerning the death of a child at the Erne Hospital.
