(ii) Erne Hospital

Referring to this Minute regarding the tragic death of a child four years ago in the Erne Hospital, Mrs Grant expressed her concern with regard to comments attributed to the Chief Medical Officer in an interview on this matter.

In response, Mr Lindsay informed members that he would share the transcript of the complete interview with Board members as the Chief Medical Officer had been quoted out of context in some media reports. He hoped that this would alleviate Mrs Grant's concern regarding this issue.
