Dear Sir/Madam

**Dr Jarlath O'Donohoe**

We wrote to you on 24 August 2004 to inform you that allegations against Dr O'Donohoe, who is contracted to your Trust, were to be considered by the Council's Preliminary Proceedings Committee.

The Committee considered the matter at their meeting on 23 September 2004, following which they decided that the allegations if proved would amount to serious professional misconduct, and have therefore referred the matter to the Professional Conduct Committee. Further investigations will now be undertaken, and once these are complete, a hearing date will be fixed. We will notify you of this date closer to the time.

Yours faithfully
