Brian McLaughlin
The Inquiry into Hyponatraemia-related Deaths

By email: inquiry@ihrdni.org

Dear Brian

Re: Raychel Ferguson

I acknowledge receipt of your correspondence dated 28th February 2013 and confirm that I have now taken instructions from Dr. Carson in relation to the matters raised therein. For ease of reference, I have used the same paragraph numbering as in your letter of 28th February.

1. Dr. Carson's understanding is that a decision was taken by the anaesthetists in the RBHSC to change their use of number 18 solution. This decision was taken at a local level within the RBHSC.
2. (a) Unable to recall
(b) Unable to recall
(c) I do not know
(d) The decision was taken at a local level within the RBHSC and more precise information may be available from the anaesthetists involved
(e) I do not recall
(f) I do not recall

Yours faithfully
