Dear Ms Conlon

SCHEDULE OF QUESTIONS TO DEPARTMENT OF HEALTH

Your letter of 22 June 2016 to Catherine Rodgers refers. We are currently considering the schedule of questions and I hope to be in a position to let you have a response shortly.

There are, however, two questions (no 9 & 12) which fall to the Department of Justice (DoJ) to answer. I have forwarded these questions on to the DoJ and they will respond directly to you.

Yours sincerely
