

The Inquiry into Hyponatraemia-related Deaths

Chairman: Mr John O'Hara QC

CHAIRMAN'S NOTE

Mr Justice O'Hara has agreed with the Presiding Coroner, Mrs Justice Keegan that the most effective way of addressing a series of worrying issues arising from inquests (which emerged during the course of the Inquiry) is for him to speak directly to the Coroners.

Mr Justice O'Hara will address the Coroners collectively at a meeting on 17th May 2018. He will speak on issues including how deaths are referred to coroners and how inquests are conducted.

16th April 2018
