

The Inquiry into Hyponatraemia-related Deaths

Chairman: Mr John O'Hara QC

Note re Inquiry Report

An invitation was issued on 23rd September 2015 to all interested parties to meet with the Chairman. As a result the Chairman met with a number of parties during late September and early October 2015.

At the meetings, those interested parties were informed that while work on the report is continuing, it will not now be published until 2016. A further update will be given at Easter 2016.
