I refer to the Statement I made to the Inquiry dated 17th May 2012. My Statement contained an error in my response to Question 9 (a).

I was incorrect in saying that there were no guidelines in place in 1995 which governed the retention of non-medical records. I have since discovered that Circular NIHA 75/62 did, in fact, cover this situation. So, this area has in fact been governed by the afore-mentioned Circular since 1962.

I wish to correct this inaccuracy in my Statement but my First Statement is accurate in all other respects, and I have no further corrections to make to my First Statement to this Inquiry.

THIS STATEMENT IS TRUE TO THE BEST OF MY KNOWLEDGE AND BELIEF

Noel Wilson
