Secretary, I have attached a submission on the Lucy Crawford/Raychel Ferguson case for clearance by you and the Minister. It looks like the programme will be broadcast in early June and UTV has approached Sperrin Lakeland Trust and asked for an interview with Hugh Mills. The submission is to prepare the Minister for any possible 'doorstep' by UTV and to suggest that she may have to agree to an interview for the Insight programme if we are approached by Trevor Birney. If you are content with the submission I will pass it on to the Minister. Thanks.
