Clare,

Can I ask the following questions of the Department?

1. What is the Minister's answer to the Ferguson family, who've called for a public inquiry and the immediate resignation of the CMO?
2. Does the Department stand by the CMO's analysis of what caused the deaths of Adam Strain, Lucy Crawford and Raychel Ferguson?
3. Does the Department still support the Chief Executive at the Sperrin Lakeland Trust, Hugh Mills, given that he covered up the death of Lucy?

Cheers.
Trevor.
