Line to Take

The Minister is not available for interview but may be available at a later date. I am sorry I cannot be more specific at this time.

Kevin.

Thanks for your reply. Could you clarify something for me?

In previous correspondence, you refer to the Minister's diary problems or getting a slot.

Yesterday, you simply say she is not available. Could you clarify if this is a definitive statement which indicates the Minister is not available, full stop, to talk about this case.

I am sorry correspondence about this is protracted, but we consider the issued surrounding Lucy Crawford's case to be extremely important.
