LUCY CRAWFORD, DECEASED

As promised I am enclosing a copy of the report of Dr Edward Sumner. I am enclosing a total of three copies – one for your use, one for the parents of Lucy and one for forwarding to Dr Dewi Evans. I have advised Dr Sumner of how Dr Evans maybe contacted.

I am now arranging to obtain statements and in due course I will hold an inquest.

You will note that I am enclosing a copy of the post mortem report of Dr O'Hara. The post mortem was by consent rather than pursuant to a direction I had given. I only became aware that a post mortem examination had been carried out several months ago. The pathologist, Dr Denis O'Hara, is presently off on long-term sick leave.

Yours faithfully
