Re: Lucy Crawford, deceased

Dear Sir,

We refer to your letter dated 18th November, 2003.

We now enclose a Report from Mr. Dewi Evans dated 18th February, 2001. Dr. Evans has confirmed that he will be available to attend the Inquest, provided a reasonable period of notice is given to him.

We understand that the Trust also obtained a Report from a Dr. Jenkins, a Senior Lecturer in Child Health and Consultant Paediatrician based in the Antrim Area Hospital. You may wish to invite the Trust to disclose a copy of this Report.

The Civil litigation against the Hospital Authority has now been concluded and our clients would be anxious that the Inquest into Lucy's death would be held as soon as possible. Understandably they are keen to bring closure to this matter.

We would be grateful if you would confirm the stage of your investigations and indicate to us when you anticipate it would be possible for you to hold the Inquest.

If we can be of any further assistance to you, please do not hesitate to contact us.

Yours faithfully,

Mr John L Leckey,
H M Coroner,
