Dear Sirs

**LUCY CRAWFORD - DECEASED**

Thank you for your letter of 7<sup>th</sup> January sending me a copy of the report of Mr Evans. At the present time I am arranging to hold the inquest and I will now consider whether Dr Evans should be called to give evidence in view of the fact that evidence will be given by Dr Sumner. Do you have any views on this matter? Also, I assume that the Trust has a copy of the report of Mr Evans but please confirm. If this is not the case I would propose to send a copy to the solicitors acting for the Trust. Would you object to this course?

I will await hearing from you.

Yours sincerely
