Dear Sirs

LUCY CRAWFORD, DECEASED

Thank you for your letter of 12 January.

I have forwarded a copy of the report of Dr Evans to Central Services Agency who are acting for the hospital. They have provided me with a copy of a report they obtained from Dr John Jenkins and I am enclosing this.

It is my intention that if at all possible both Dr Evans and Dr Jenkins should give evidence at the inquest

Yours faithfully

J L LECKEY
H M CORONER FOR GREATER BELFAST

PS Dr Evans has confirmed that he will be able to attend the inquest on the first two days.
