Dear Mr Leckey

Thank you for your correspondence, which I received on return from annual leave on 6 May 2003.

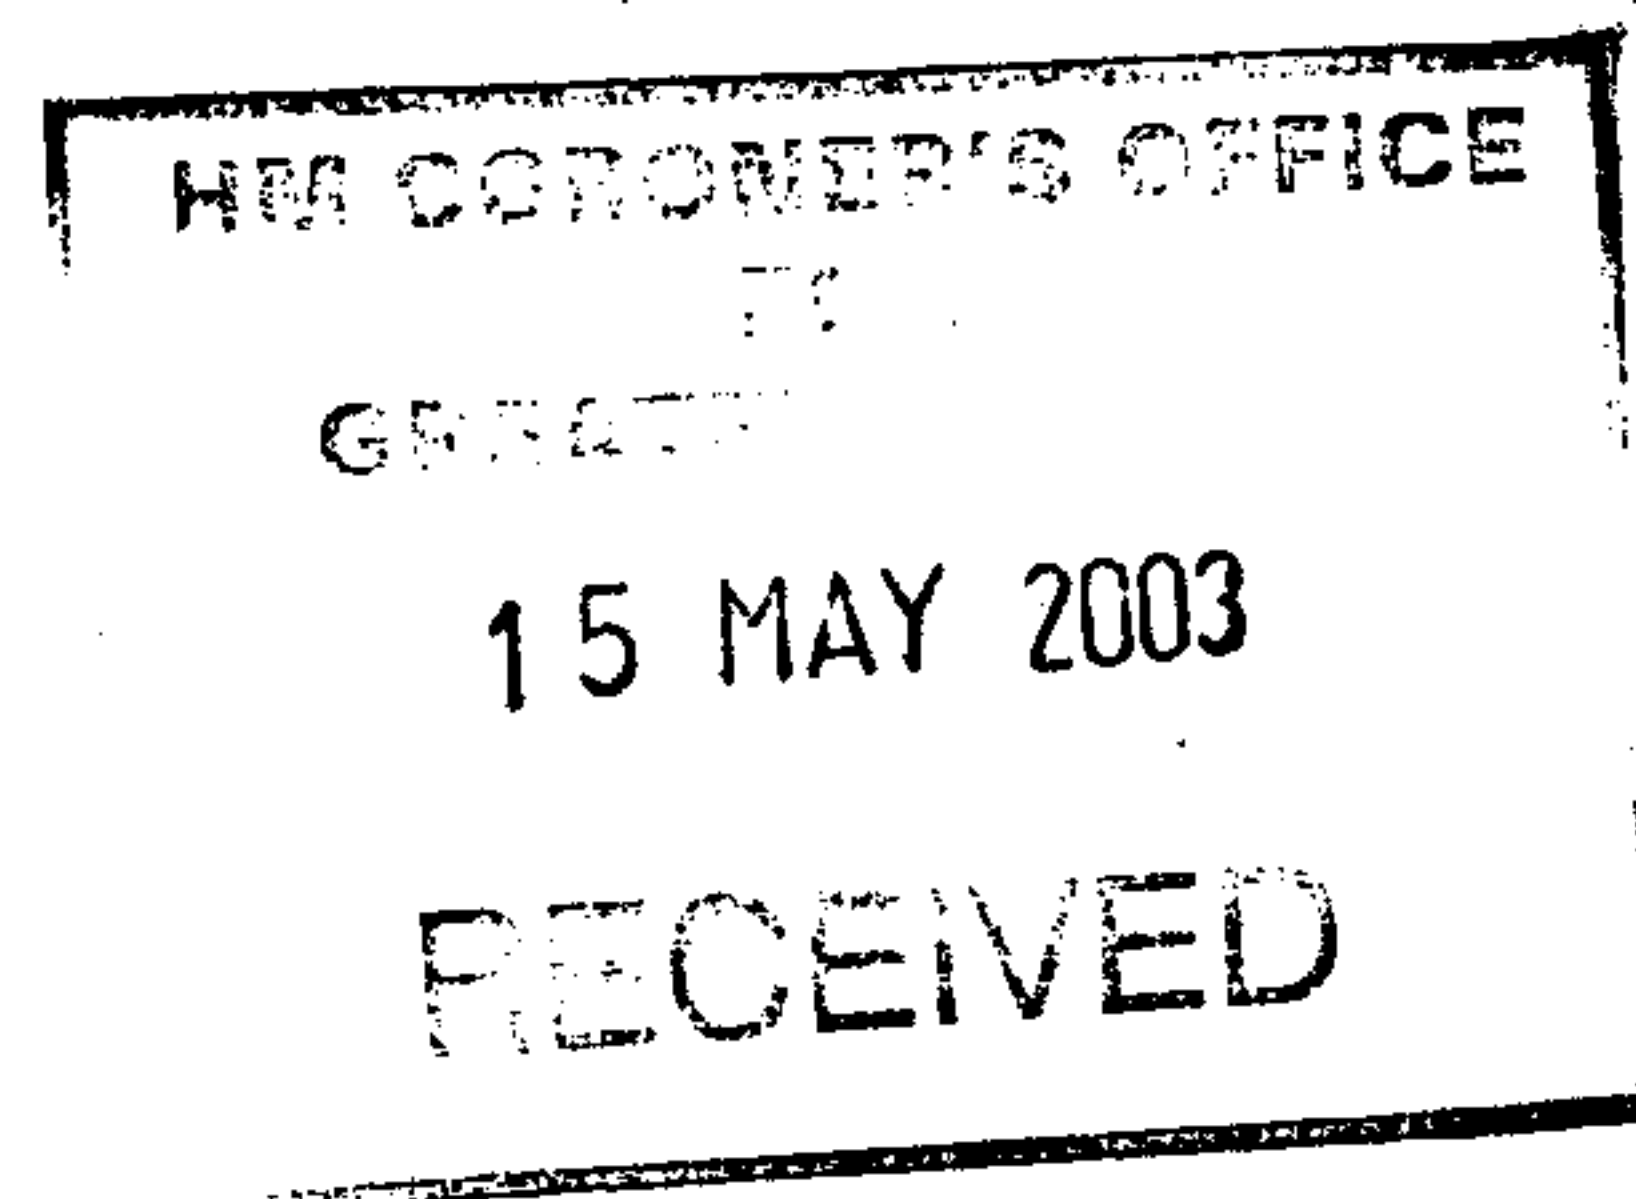

I have begun to prepare a list of relevant medical and nursing staff as requested and will seek to have typewritten statements produced. I am working with the Acute Services Director so that we can have this information at the earliest opportunity.

Many thanks.

Yours sincerely

LUCY CRAWFORD, DECEASED

31st October 2003

I spoke to one of the secretaries in the Medical Directorate at the Erne Hospital. Everyone including Dr Kelly was on leave. Later Dr Kelly telephoned me. I was not in my office but I telephoned back. All the statements have been obtained and some weeks ago these had been passed to Mrs Donna Scott of CSA. I said I would get in touch with her. Dr Kelly said he would chase up the position when he returned on Monday.
