To: Edward Sumner
Subject: RE: Lucy Crawford

Dear Ed,

I am happy with your report. However, it would be useful if you incorporated in the final version how you would formulate the cause of death ie the causal chain.

The solicitors for the family have advised me that they have no objection to you making contact with Dr Dewi Evans - if you wish to. I have asked them for contact details. I will send you a copy of their letter.

Best wishes,

John

Dear John - I sent this yesterday, but it was returned.
This is the draft of my report - I would appreciate your comments.
I will tidy it up and send you the final version by snail mail.
I don't know Dr Evans, but would be interested to read his report.
Thanks for the video - it induced a reduction in my self esteem.
All the best - Ted
