

Dr Edward Sumner
Consultant Paediatric Anaesthetist

25th April 2003

LUCY CRAWFORD, DECEASED

Thank you for your letter of 22nd April with your report. I am most grateful to you for all your assistance. I have sent a copy of your report to those concerned and I have advised each that I will be holding an inquest. I would not anticipate the hearing will take place until the autumn at the earliest.

Thank you again.

Yours sincerely
