*Dear Ted,*

## LUCY CRAWFORD, DECEASED

Please find enclosed a copy of the post-mortem report of Dr O'Hara.

You will note that Dr O'Hara gives cerebral oedema as the terminal event but is unable to reach any conclusion as to the underlying cause of it although he does speculate in the commentary section of the report.

With best wishes.

Yours sincerely

J L LECKEY  
HM CORONER FOR GREATER BELFAST
