

Dr E Sumner MA, BM, BCh, FRCA  
Consultant Paediatric Anaesthetist

16 January 2004

**LUCY CRAWFORD, DECEASED**

I wish to confirm that the inquest will commence on Tuesday 17 February 2004 at 10.30 a.m. in this building. It may last 3 days and I would wish you to attend, if possible, on the first 2 days.

I have decided to call as additional witnesses at the inquest Dr Jenkins and Dr Evans. I have provided you with a copy of the report of Dr Evans and I am enclosing a copy of the report of Dr Jenkins which has just come to hand.

The report of Dr Jenkins was prepared on behalf of the Hospital Trust. You may recall that Dr Jenkins gave evidence at a similar inquest sometime ago at which you also gave evidence.

With kind regards.

**H M CORONER FOR GREATER BELFAST**

**Encs**

PS Dr Evans has confirmed that he will be able to attend the inquest in Belfast and will be present on the first two days. He would welcome an opportunity to discuss the issues generally in relation to hyponatraemia.
