Thanks - I'll be there.
I'll book into The hotel as before and get an open ticket.

Dear Ted,

There is a letter in the post sending you a copy of the report of Dr John Jenkins. I have decided that he and Dr Evans should be witnesses also. Please note that the inquest commences on Tuesday 17th Feb. I would wish you to attend on the first 2 days - the inquest may last 3 days. Dr Evans says he would value a meeting with you and Dr Jenkins about the fluid management problem. He is attending on the first 2 days.

Best wishes,
John

Dear john - thanks for the 2 letter received yesterday.

I am in agreement with Dr Evans and what he says in his report. I understand that his report is more confrontational than mine as I was looking more for the cause of death than for negligence. I was reprimanded for being too confrontational in the past!

I imagine his giving evidence would strengthen and give more weight to my own opinion. We do not differ in our basic thoughts.

I have the 19th Feb pencilled in my diary!
