## THE ULSTER HOSPITAL

DUNDONALD — BELFAST BT16 ORH

Telephone: DUNDONALD 4511

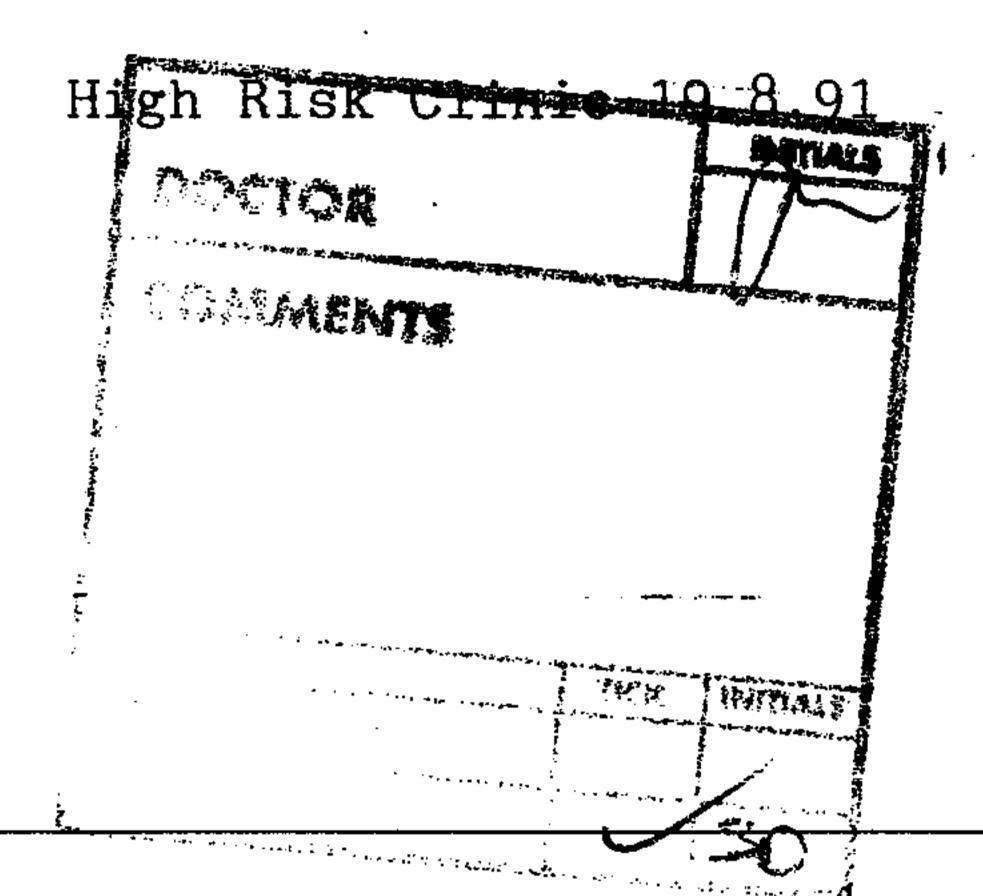

U91 12708/ESI/AB

20 August 1991

Dr Scott 126 High Street Holywood

Dear Dr Scott

re: Adam Strain

Adam has been well since discharge from hospital. Mum does not report any problems.

We have taken blood today to check U & E and creatinine.

I shall see him again in one month but shall be seeing him twice weekly initially at ward level to check U & E and creatinine.

Yours sincerely

a Bell
