Re: Rachel Ferguson, deceased

Dear Ms Scott,

Enclosed please find my report (and those references not already in your possession) as requested. I am also enclosing some additional comments. I have separated these from the main body of my report as they refer specifically to my views on Rachel's medical management after she began to fit – while Dr Sumner has reported on this aspect of her care, he has not made any specific comments concerning same.

My fee for this report [REDACTED] should you still require my attendance at the Coroner's inquest my fee will be [REDACTED] exclusive of expenses. I trust that you find this satisfactory.

Yours sincerely,

Declan J Warde FFARCSI
