

From: Sre. Miller WD 6.

12/20/2020,

Enclosed copy of notice displayed in ward of retaining to W. funds for P&EDS. This is in addition to notice I have already sent you. Both "notices" are draft copies, and will have to be finalized and signed by consultants both Med + Surg. At present both are displayed in ward and all staff are aware of same. Dr. McCord who has drawn up the ~~new~~ guidelines is on holiday so there is a hold-up at present in finalizing the actual guideline.

Sr. Liz Miller.
