**Statement re: Rachael Ferguson Deceased**

I Mr MH Zafar, was employed as a Surgical SHO in Altnagelvin Hospital in June 2001.

I visited Ward 6 to do a ward round on 8<sup>th</sup> June 2001. I saw Rachael Ferguson. Rachael had an appendectomy operation on 7<sup>th</sup> June 2001.

On my ward round she was free of pain and afebrile. The plan was for continuous observation.

At approximately 3.15 a.m. I was beeped by the Surgical JHO and asked to attend to Rachael Ferguson who had a fit. I was asked to come to see the child. I advised the JHO that I was in Casualty with another patient and would come to the Ward as soon as possible.

When I arrived on the ward the child was being resuscitated.
