Dear Mrs Scott

Re: Rachel Ferguson (deceased)

I refer to the above matter.

I enclose for your attention a statement from Dr Raymond Fulton, (I have not forwarded this to the Coroner yet). I also enclose the updated Critical Incident Action Plan.

Please return the Original Altnagelvin Hospital Notes to me as soon as possible as they are required for Clinical coding purposes.

In addition is it possible for you to ask the Coroner to receive a copy of any recommendations made by Dr Summer after he investigated the death five years ago. Perhaps we cannot request this.

I am still endeavouring to obtain clarification on the issues identified by Counsel.

Many Thanks.

Yours Sincerely

Therese Brown (Mrs)
